

BANNER RECOGNITION PROGRAM

STEPHENS FAMILY YMCA

The Stephens Family YMCA Banner Program is an integral part of our Annual Campaign. Funds raised from our Banner Program directly support scholarships for families and individuals in Champaign County who could not otherwise benefit from the programs & services the Y offers.

There are 3 levels of recognition for our Banner Program:

CHAMPION \$5,000

BENEFACTOR \$2,500

FOUNDER \$1,500

Your banner makes a powerful statement that you share the Y's mission to give all families- children, teens, adults, and seniors- access to vital Y programs and services.

All banners will be displayed for one year from the time of the gift and can be renewed each year.
